

CC FOUNDATIONS FOR CHAMPIONS — RUN OF SHOW

DATE	TIME	LOCATION	FORMAT
Friday, August 14, 2026	10:00 AM – 3:15 PM PT	Gates Foundation, Seattle — Lake Washington / Lake Union Rooms	In-person + hybrid via Teams (~50 registered)

Updated 2026-08-11: per Anthropic (Jason Bigman) feedback that build time was tight, extended to a full 3h00m (Team check-in and Submissions close trimmed to 5 min each; Build sprint 2 now 100 min; end time moves to 3:15 PM). Updated 2026-08-12: added Anthropic's post-event feedback survey (QR code + link, bottom-right) per Jason Bigman's request — flash it up to participants during Awards & wrap.

TIME	SESSION	DURATION
—	Room & AV setup — crescent pods, table stands, flip charts, mics (2 front-of-room + 1 per table); AV/IT support on call throughout the day	pre-event
9:30 AM	Doors open & check-in — beverages available; virtual attendees admitted to the Teams webinar	15 min
10:00 AM	Welcome & kickoff — opening remarks (Philippe-Alexandre Gilbert), event format, judging criteria & award categories	5 min
10:05 AM	Claude Code quickstart — condensed live primer led by Li-Tal Mashiach (Anthropic, in person)	30 min
10:35 AM	Team check-in — confirm your pre-assigned team / breakout room and problem statement	5 min
10:40 AM	Build sprint 1 — floating in-room support + monitored Teams channel for virtual teams	80 min
12:00 PM	Lunch break — Memphis Smokehouse buffet available 11:45 AM – 2:00 PM outside the room; beverages in-room all day	30 min
12:30 PM	Build sprint 2 — keep building; final push toward submission	100 min
2:10 PM	Submissions close — push your repo to github.com/gatesfoundation/gf-claude-hackathon-2026	5 min
2:15 PM	Lightning demos — up to 10 teams, 2 minutes each, gong-timed; remote teams demo over Teams	30 min
2:45 PM	Judging huddle & scoring — panel scores against the published rubric	20 min
3:05 PM	Awards & wrap — winners announced across all four categories; keep-building call to action; flash the Anthropic feedback survey QR code (below) for participants to complete	10 min

JUDGES

- Xiaoxue Du — Gates Foundation (principal judge)
- Neil Hausmann — Gates Foundation
- Matt Gee — Gates Foundation
- Li-Tal Mashiach — Anthropic (in person)

BEFORE YOU ARRIVE

- Install & authenticate Claude Code on your laptop
- Join the hackathon Teams team and GitHub org ([claude-code-hackathon-08-14-team](#))
- Review your team assignment and problem statement
- External guests: bring photo ID for building check-in

HOW TEAMS WORK

- Default team size: 2, flexible to 3–4
- Aim for at least one experienced / GitHub-linked member per team
- Not on a team? Ask a floor helper — solo-friendly tasks are available
- Submit via the shared GitHub repo before 1:55 PM

 **FEEDBACK SURVEY (ANTHROPIC)**
